Make a map of France, Riemann-transported to the unit disk.

Perhaps better, the US, subdivided into states,

Region	point	Math
US:	Wash. DC	I-80 from NY to SF
Europe:	Paris	Napoleon to Moscow, Orient express.
Asia:	Everest	
AFRICA	"Mr. Livingston, I presume"	

"As Riemann traveled the orient express, he continuously and conformally imagined the old continent

As Riemann traveled the Orient Express, he knew that conformally-speaking, the old continent is merely a disk around him
