

- * static web sites edited only by me.
- * Blackboard only for grades.
- * Links to BBS, Ap; BBS to be taken ^{mostly} by me.
- * Class photo? Must be done, but under new rules.

* Good deed points for classnotes, HW solutions, TE solution, as follows:

To qualify:

single PDF file ^{emailed} by deadline, good contrast and resolution, ≤300kb per page, named

yymmdd-firstname-lastname.pdf, with all spaces replaced by underscores.

For classnotes: superficial correctness

For HW/TE: Excellent mark.

Your email must state: The attached PDF file is submitted for consideration for good deed points for MAT xxxx and I permit Dror Bar-Natan to upload it to the class' web site and to keep it there indefinitely.

name student #.

updates to BBS:

* Allow ending "show?show=..." with "1" and "-" wild cards.

* automatic generation of congregated PDFs

Points: up to 15 points will be distributed per class meeting (one hour or two, no matter) or ^{other} fast. Each qualified PDF submission s will be assigned

Each qualified PDF submission s will be assigned a weight w_s equal to 25 minus the number of good deed points earned by its author to-date; and submission s_0 will earn its author

$\min\left(\frac{15w_{s_0}}{\sum_s w_s}, \left\lceil \frac{w_{s_0}}{5} \right\rceil\right)$ further good deed points.

Better: up to 15 points will be distributed per class meeting (one hour or two, no matter) or ^{other} task. Each qualified PDF submission s will be assigned a "claim" $c_s = \left\lceil \frac{25 - g_s}{5} \right\rceil$, where g_s is the number of points earned by the author of s to-date. The 15 points will be distributed between the claimants according to Talmudic Law.

According to Aumann's <http://www.ma.huji.ac.il/~raumann/pdf/Man%20with%20Three%20Wives.pdf>:

קיצורו של דבר, חלוקת העזבון בין כל הנשים הוא כך שכל שתיים מהנשים חולקות את הסכום שאותן שתיים מקבלות ביחד, לפי העקרון של חלוקה שווה של הסכום השנוי במחלוקת - העקרון של שנים אחוזין.

Perhaps better: $c_s = \left\lceil \frac{25 - g_s}{5} \right\rceil$ as before,

PDFs are published & claims satisfied for top 3 claimants (though more if ties).

If there are enough points to satisfy all claims, each claimant will receive his/her claim.

otherwise the points will be distributed proportionally.

Deadlines will be extended if no claims are made.

A spreadsheet will be publicly readable.

A spreadsheet will be publicly readable.
