

Author License Agreement

This agreement has been approved by and entered into between

Name: Dror Bar-Natan

Full postal address: Department of Mathematics,
Bahen Room 6178,
40 St. George St.
Toronto ON M5S 2E4, Canada

(hereinafter referred to as "Author")

and the

European Mathematical Society
 Department of Mathematics and Statistics
 P.O. Box 68
 00014 University of Helsinki, Finland

(hereinafter referred to as the "Proprietor")

represented by

European Mathematical Society – EMS – Publishing House GmbH
 Institut für Mathematik
 Technische Universität Berlin
 Straße des 17. Juni 136
 10623 Berlin, Germany

including the imprint EMS Press

(hereinafter referred to as "Publisher").

Preamble

The Proprietor publishes its journal **Quantum Topology** with the Publisher, which is a subsidiary of the not-for-profit *European Mathematical Society* and is dedicated to the publication of high-quality peer-reviewed books and journals in all fields of mathematics. The Author seeks to publish their article in the Proprietor's journal.

Against this background, the Author agrees upon the following.

§1 Subject of the Agreement

Subject of this agreement (hereinafter referred to as the "Agreement") is the publication of the article

Title: Goldman-Turaev Formality from the Kontsevich Integral

by the Author and, if applicable, by the

Co-author(s): Zsuzsanna Dancso, Tamara Hogan, Jessica Liu, and Nancy Scherich

(the article is hereinafter referred to as “Work”, the co-author(s) as “Co-Authors”, and the Author together with the Co-Authors as “Authors”)

in the Proprietor’s journal

Quantum Topology

which is published by the Publisher.

All further rights and obligations of the Author are set forth in the following sections and Annex A, which is an integral part of the Agreement.

§2 Granting of Rights

With the signature of this Agreement, the Author grants the Proprietor the rights in the Work according to Annex A.

§3 Warranty and Indemnity

The Author warrants, that

1. the Author is authorized by the Co-Authors to enter into this Agreement.
2. the Authors are the sole authors of the Work and the exclusive owners of all rights to the Work and its content granted to the Proprietor according to §2 and Annex A;
3. all statements of fact in the Work are true to the Author’s knowledge, and are based on diligent research;
4. the Work, in whole or in part, has not already been published and has not been submitted for publication to another publisher;
5. the Author has permission to use any contained works from other copyright holders, including but not limited to any media such as visualizations, illustrations, images and code, and that proper attribution is given in the Work where required. The Author is obliged to supply full details of all sources of such contained works;
6. the Work and its publication through the Proprietor, and/or through third parties, including, but not limited to the Publisher do not infringe copyrights, ancillary copyrights, trademark rights, personal rights or other rights of third parties or violate any statutory provisions.

In addition, the Author agrees to indemnify, defend and hold the Proprietor harmless against any and all justified claims, losses, damages and costs, including statutory attorney’s fees, arising from or related to a breach of the warranties above.

§4 Rights of the Author

The Author retains copyright and reserves all proprietary rights other than the ones stated in Annex A, including patent rights.

The Author reserves the right to reproduce the Work for personal purposes by means of printing, reprinting, electronic means (online and offline), under the conditions that the Proprietor and/or the Publisher be informed each time such rights are used and that the published Work is referenced.

The Author reserves the right to self-archive the version of the Work as accepted for publication, including all changes made during the peer review process (hereinafter referred to as “Author Accepted Manuscript”). For the avoidance of doubt, self-archiving refers to depositing the Author Accepted Manuscript on institutional repositories and preprint servers.

The Author reserves the right to publish all or part of the Work in future works of their own published more than two years after the original publication and to grant or refuse permission to third parties to republish or translate all or part of the Work. To republish a Work in its entirety, such third parties must also obtain written permission from the Proprietor, represented by the Publisher.

The Author agrees that the publication of the Work shall constitute an adequate consideration for the obligations of the Author according to this Agreement, in particular the granting of rights in accordance with §2 and Annex A, and that therefore no remuneration of the Author is required. Sec. 32, 32a German Copyright Act ("Urheberrechtsgesetz", UrhG) remain unaffected.

§5 Copyright Notice

The Author agrees that the Proprietor is entitled to publish the Work with an indication that the Proprietor holds the rights, e.g., "© YYYY European Mathematical Society" where YYYY is replaced with the publication year.

A Work that will be published Open Access shall indicate the used Open Access license, e.g., "This work is licensed under a CC BY 4.0 license", where appropriate with a link to further information about the license.

§6 Miscellaneous

Privacy Policy. Information on the processing of personal data can be found in the Privacy Policy available at the Publisher's website <https://ems.press>.

Term. The Agreement shall enter into effect upon signature of the Author and shall be concluded for an indefinite period of time

Entire Agreement. The provisions of the Agreement shall form the entire agreement of the Parties and shall supersede all prior written or oral agreements and declarations of intent by the Parties with respect to the subject matter hereof.

Written Form Requirement. Any amendments or additions to the Agreement shall be in writing. This also applies to the alteration, supplementation or amendment of the aforementioned written form requirement. The precedence of an individual amendment (Section 305b BGB, Bürgerliches Gesetzbuch / German Civil Code) shall remain unaffected.

Severability. Should any provision of the Agreement be or become void, the validity of the other provisions shall not be affected thereby. In this case the Parties are obliged to replace the ineffective provision by an effective clause which most closely corresponds to the invalid clause as far as the economic purpose of the Agreement is concerned. The aforesaid shall apply correspondingly for unintentional gaps or loopholes.

Governing Law. This Agreement shall be governed by the laws of the Federal Republic of Germany (excluding the Convention on Contracts for the International Sale of Goods).

Place of Performance and Place of Jurisdiction. Place of performance shall be Berlin. Exclusive place of jurisdiction for all disputes arising out of or in connection with this Agreement shall be Berlin, provided that the Author is a merchant within the meaning of the German Commercial Code (Handelsgesetzbuch, "HGB") or if upon the commencement of legal proceedings, the Author has no place of business or ordinary residence in the Federal Republic of Germany.

Annex A. Granting of Rights

The purpose of the granting of rights under §2 of the Agreement and this Annex A is to enable the Proprietor also by involving third parties, including, but not limited to the Publisher, to (i) exclusively produce, publish and distribute (including advertising measures) the Work, including the publication of the Work under Open Access licenses such as the Creative Commons Attribution 4.0 (CC BY 4.0) and later versions thereof, and (ii) to carry out any and all uses of the Work technically necessary to this end.

Granting of Rights. By entering into the Agreement, the Author grants to the Proprietor the transferable, sub-licensable, exclusive, worldwide right, which shall be unlimited in terms of time, territory and content, to publish and distribute the Work in any conceivable form and in all media and formats, including all known and unknown types of use, in particular by first publishing, reproducing or distributing (in particular by means of renting and lending), exhibiting and communicating to the public.

Sec. 38 (4) and 40a of the German Copyright Act ("UrhG") shall remain unaffected, if applicable in favour of the Author.

The right set forth in this Annex A shall, without any obligation to undertake such use, in particular include, but not be limited to, the following uses:

1. to reproduce and distribute the Work in printed form, including print on demand;
2. to reproduce and distribute the Work in all other ways and on any data carriers, e.g. by photocopy, photomechanical reprint, Braille as well as on DVD, SLT tape, USB stick;
3. to adapt and transform the Work, in whole or in part, for the purpose of contractual use, in particular, produce electronic, machine-readable and accessible forms and make format changes and/or add or remove links for the purpose of using the Work in electronic form;
4. to store, reproduce and distribute the Work electronically in whole or in part – also free of charge – via all types of storage media and transmission, particularly in the Proprietor's and Publisher's own and third-party databases, online platforms, indexing services, full-text search services, long-term preservation archives;
5. to print the Work in advance and subsequently, also in newspapers and magazines;
6. to incorporate the Work in other own publishing products;
7. to organise paperback, folk, special, reprint, abbreviated (digest), school and book community editions;
8. to produce and publish a complete edition, even after the expiry of twenty years after the publication of the Work;
9. to reproduce and adapt the Work, in whole or in part, for the purpose of indexing and providing the Work with keywords and other research functions that enable a text search in the text and the meta-data;
10. to reproduce and make available the Work - also free of charge - within the framework of electronic search programmes (e.g. Google Scholar, LIBREKA, Amazon Search Inside the Book or Google Book Search) and to allow third parties to research the Work and to download and print out extracts of the Work free of charge;
11. to translate the Work into other languages and to use the translation for the purposes as set forth in this Annex A;
12. to produce read aloud versions of the Work and to transfer the Work to audio recording carriers, image and image/sound recordings carriers, and to reproduce, distribute and communicate the result of this transfer to the public;
13. to use the Work for advertising purposes for the activities of the Proprietor and the Publisher.

As far as the purposes of the granting of rights set out in this Annex A require, the Proprietor shall be entitled to grant third parties, including, but not limited to the Publisher, non-exclusive or exclusive licenses or transfer the rights granted to the Proprietor under this Annex A to third parties, including, but not limited to the Publisher, whether used in full or in part and without the Author's prior consent.
